Product brochure

- > These A4 multifunctional colour systems cover nearly all areas of your office document handling – offering print, scan, copy and fax functions.
- > The e-STUDIO389cs and e-STUDIO479cs offer flexibility at your fingertips, thanks to mobile printing accessibility and a print speed of up to 38/47 pages per minute.
- > A maximum paper capacity of up to 2,300 sheets guarantees a smooth output of even large print jobs.
- > Intuitively access functions, apps and solutions via the 17.8 cm (7") tiltable, colour touch panel.

EFFICIENCY IS KEY

Take advantage of all that e-STUDIO389cs and e-STUDIO479cs have to offer, especially their print speeds of up to 38 and 47 pages per minute, respectively. Efficiency is key to the design of these A4 colour systems. A first print output time of 5.5/5 seconds for colour/monochrome ensures swift print jobs, making these devices an asset to your business or workgroup.

A clever range of options and solutions allows these devices to be individually configured and expanded to fit your evolving business requirements. Including technology that ensures these devices can easily be integrated into your existing print fleet, helping to optimise your document workflow. Via the tiltable colour touch panel, it has never been easier to access functions and apps – all with just a swipe of a finger.

Whether you are printing text, graphics or images, the print quality delivers outstanding colour documents. Last but not least, standard duplex printing and energy-save modes help save valuable resources and long-life consumables guarantee a care-free ownership.
